

KEYS HOTELS EXPANDS ITS OPERATIONS

LAUNCHES 16th HOTEL IN INDIA AND 2ND IN KERALA BY FORAYING INTO KOCHI

Keys Hotels & Resorts announces the launch of Keys Kochi, its 2nd hotel in Kerala and 16th hotel across India. Hotel Keys Kochi, located close to Kerala's famous backwaters, offers breathtaking views and coupled with its proximity to MG Road, Fort Cochin and the Info Park proves to be an ideal option for both business and leisure travellers.

Commenting on the launch of Keys Kochi, Anshu Sarin, CEO of Berggruen Hotels, said, "We are committed to expand our footprint in India and provide our guests with the best services and

amenities. With the launch of Keys Kochi, we have strengthened our presence in Kerala and further strengthened our presence in South India. It reaffirms the rapid growth story of the brand."

Keys Kochi is a fully equipped hotel with banquet facilities for conferences and receptions. The hotel has 151 rooms, many of which offer breathtaking views of the backwaters. The rooms are designed with a prime focus on guests' comfort and hence are furnished with a relaxing couch and comfortable beds with duvets.

The Keys Kochi further gives special consideration to the safety of guests, especially women travellers. The Keys Kochi has 10 rooms which have been designed to cater to the specific needs and requirements of a lady traveller. They are located on a separate floor, dedicated to rooms for single lady travellers, which is under 24/7 CCTV surveillance. Additionally, video door phones installed in each of these rooms help guests identify the person at the door before letting them in.

Similarly, keeping in mind the needs of differently-abled guests, Keys Kochi has a specially designed room to meet requirements of these guests. For guests who prefer more space, Keys Kochi has 3 well designed suites- Junior Suite, Suite and Balcony Suite.
